- We welcome teachers to encourage senior art students who work to a professional standard to participate

WHAT WILL BE SHOWN?

- One (1) work in any print medium, including unique state prints, unorthodox print-related media and format including digital and 3D. One work may consist of several related items, such as a triptych.
- Work should be an original piece of fine art from a limited edition, or single print, which demonstrates the artist's vision. Promotional items would not be considered to be works of art.
- A reproduction of another work is not acceptable as a print.
- Second works are encouraged but acceptance may be limited by available space.
- Any questions about suitability, appropriate fees etc, should be directed to the Exhibition Committee as early as possible.

CONDITIONS OF ENTRY

- The work entered must be the work of the submitting artist, completed within 12 months of the exhibition and not previously exhibited.
- All works must be on good quality archival paper, signed, dated and titled clearly in pencil to CPI standards. 3D or other non-traditional works should use materials of an equivalent standard.
- The exhibited artwork must be available for sale. 30% commission will be retained from the artist's sale price.
- Whilst only one (1) artwork will be submitted for exhibition, artists are invited to donate a further one (1) work from their edition or series of variations for archiving and to assist CPI with future fundraising.
