

Christmas Nibbles

Join us to sample a series of bite-sized printmaking workshops offered by CPI's experienced printmakers.

You will explore a range of printmaking techniques to create prints you can frame, printed tea towels, artist journals, collages, gift cards and hand-printed wrapping paper.

There are seven workshops limited to just eight participants each due to COVID restrictions.

Reserve your workshop place by visiting: trybooking.com/BMLPV

Saturday 14th November

Monoprinting on Gelli Plate with Peta Lloyd

Nature inspired prints in layers of colours used to make a small journal, gift tags, wrapping paper.

Tuesday 17th November

Cyanotype Sun Prints with Phillipa Sturgess

Experiment with different objects and techniques to create delightful cyan blue prints.

Saturday 21st November

Screen Printing on Fabric with Carmel Knowles

Print a linen tea towel to give away, to use to wrap a gift or to keep. (Materials fee \$5)

Tuesday 1st December

Dry Point Etching with Amanda Lawrence

A modern take on a classic printmaking technique by using recycled materials found in your own home.

Saturday 5th December

Embossed Plate Prints with Michelle Black

Learn the skill of embossing a pvc or aluminium foil printing plate to create a multicolour series of small prints. (Materials fee \$5)

Tuesday 8th December

Painterly Monoprinting and Collage

with Nanette Balchin

Combine monoprinting, stitching, drawing, collage, and more monoprinting to create an artwork with unique character.

Saturday 12th December

Bespoke Wrapping, Cards and Tags

with Clare Ford

Create your own personalised gift wrapping using simple techniques that you will be able to continue using at home.

COST PER PERSON PER WORKSHOP

\$35 general admission

\$30 concession or CPI Members

(Note: some workshops may have a small additional materials fee)
